### MEDICAL DIRECTOR – The Beaufort Clinic

2009 – Present Private General Practitioner, Lead Cosmetic & Laser Physician and Medical Director for the Beaufort Clinic. Nominated Individual for the registration with the Care Quality Commission under Health & Social Care Act 2008.

The clinic provides a wide range of general medical and cosmetic treatments for treatment of disease, disorder or injury, diagnostic and screening procedures and surgical treatments.

Areas of practice include general medical practice, cosmetic medicine, laser surgery, IPL treatments, skin surgery, cosmetic dermatology.

### MEDICAL DIRECTOR – LCS Healthcare Ltd / Laser Care Services Ltd

July 2003 – Present LCS provides support and advice on registration with the Care Quality Commission to organisations who are required to register. The Company manages the registration process, and gives assistance in the development of protocols, policies and procedures needed to help in the safe running of clinics and ensure that they comply with the regulatory framework. The Company also conducts training courses and carries out assessments to meet the necessary compliance requirements under the Health & Social Care Act 2008 and associated regulations.

Key features of the role:

- Advise clients on regulatory compliance matters (including CQC, controlled drugs and facility development) and on requirement for registration with CQC
- Develop training courses, both in planning and delivery for Core of Knowledge (Laser Safety) and Laser Protection Supervisor.
- Lecturer for LCS Academy on the prestigious and internationally recognized BTEC(Medical) and BTEC(Aesthetic) qualifications and is an Honorary Lecturer at the University of Greenwich for the School of Health and Social Care.
- Chartered Radiation Protection Professional and hold the Certificate of Competence as Laser Protection Adviser from the Board of RPA2000.
- Act as Laser Radiation Protection Adviser to clients of the Company

## EXPERIENCE:

- 11/ 2002 – 06/2003 **Director of Refractive Surgery (DCM Optical Clinic PLC)**  
Responsible for overseeing the reorganisation and consolidation of the refractive surgery service within DCM Optical Group. Managed the Laser Vision Correction service in terms of its clinical and administrative elements over nine centers with nearly 8000 procedures per year.
- 6/2000 – 11/2002 **Medical Director (Laser Vision Correction), Health Clinic PLC**  
Worked within the Health Clinic PLC initially as Group Medical Adviser and more latterly as Medical Director on the development of strategy for roll out of the chain of Clinics, providing a full range of medical, paramedical and complementary services. Provided medical input into the business development strategy including the establishment of a laser vision correction service, equipping clinics, interviewing staff, developing training and teaching packages and advising on property development. (see above – DCM Optical -for further duties).  
  
Reported at PLC board level to coordinate the preparations for new clinics from a medical viewpoint and was involved in an advisory capacity in marketing, finance, property services and personnel.
- 1992 - 2000 **General Practice - Principal and Partner**  
(Sunderland Health Authority)  
Provided full spectrum of general medical services to the local population. Special interest in respiratory disease. Hetton Group Practice, a seven doctor general medical practice providing services to 13500 patients in an area of high dependency and high unemployment.  
  
Over eight years as a General Practitioner in a busy practice. Day to day, hands on experience in dealing with all aspects of disease diagnosis and management involving a wide spectrum of age and socio-economic groups. Eligible for Minor Surgery and Child Health Surveillance Lists. Lead in Practice Development for Computerisation and Health Promotion Issues.
- 1996 – 2002 **Director of Opiate Rehabilitation, Priority Healthcare Wearside NHS Trust**  
(Consultant Grade)  
(Community Addiction Team, Opiate Addiction Service, Sunderland)  
Initiation and implementation of protocols for service in consultation with team members, service development, assessment and treatment of patients referred to the service by general practitioners within the Sunderland Health Authority Area. Was responsible for the management and clinical care of all patients referred through the service. Worked closely with the Clinical Director of Psychiatry in management of patients with dual diagnosis. Took part in training and clinical supervision of other medical staff working within the organisation.
- 1992 - 2002 **Medical Advisor and Examining Medical Practitioner.**  
(Department of Social Security, Benefits Medical Agency Services)  
Clients assessed for fitness to work using medical disability analysis techniques in Incapacity Benefit Assessment. Also including eligibility for disability related benefits (Mobility Allowance, Attendance Allowance and Disability Living Allowance).
- 1998 – 2002 **Medically Qualified Panel Member (MQPM)**  
(The Appeals Service)  
Judicial appointment from the Crown via The Lord Chancellor's Department - decision making upon appeals against disallowance of benefits based on evidence presented to tribunal.
- 1995 – 2000 **Occupational Medical Officer** to local businesses, provision of pre-employment, sickness absence, return to work and disability assessment of employees. Advice on legislation and compliance with regulations surrounding occupational health. Advice and testing for use of potentially dangerous chemicals in the workplace.

- 1998 – present      **Medical Expert Witness** for assessment of injury and disability for insurance and civil claims for damages. Examination and preparation of reports for the Court assessing limitation and prognosis from injury sustained on behalf of Solicitors.
- 1996 - 2000      **Clinical Research Investigator**  
Various Multi-National Pharmaceutical Companies Identification and screening of subjects for research projects, explanation and discussion of protocols and acquisition of consent to participation, supervision of research nurse in conducting trials and review of data collection, liaison with research organisations, ethical committees and clinical research associates.

#### OTHER APPOINTMENTS:

- 2002 – 2004      **Consultant Clinical Trainer (International)** – *Visx Inc, Santa Clara, California, USA*  
Provided training to operators of Visx Laser Systems in the international arena. Training carried out in Mexico, Turkey, Finland, Sweden and Colombia and the United States while in post and acted as Consultant in California for Visx during the American Society of Cataract and Refractive Surgeons meeting.
- 2004 – 2008      **Partner**, LCS Medical  
LCS Medical provided a range of private aesthetic and cosmetic procedures to patients.
- 2007 – Present      **Justice of the Peace (Magistrate)**, Buckinghamshire Bench, Thames Valley Criminal Justice Area. Appointment by the Lord Chancellor on behalf of Her Majesty the Queen.
- 2008 – Present      **Honorary Lecturer**, University of Greenwich, School of Health & Social Care.  
Providing advice and support in the development of the Graduate Diploma in Aesthetic Medicine and acting as a clinical support and tutor to students.
